ABOUT ALGAMMAL

Al Gammal General Contracting started initially on 2003 as an idea of its founder Mr.Taha El Gammal providing limited specialized subcontracting in electrical infra structure projects.

On 2008 Al Gammal officially joined the Egyptian market delivering electrical and sewerage pipelines and networks projects as certified subcontractor to major contractors.

Following this progress and success in market Al Gammal became one of the well know general contractor in infra structure works electrical networking, sewerage networks, industrial projects, commercial buildings and housing projects.

As normal expansion for a promising planned business Al Gammal foot print in Egyptian market on 2018 became clear as reliable turn key solution in wide broad of infra structure projects, industrial projects, commercial projects, oil& Gas maintenance projects, and solar project.

This success resulted out of successful development and backbone of my complementary subsidiaries have been founded to support the contracting business presented in AGIAD steel fabrication, AL Gammal transportation, Hafr Al Batin for concrete bricks.

On 2020 the business expansion has been secured and supported with true solid partners hip in form of alliances, these alliances with prequalified major contractors effectively enabled the comprehensive tun key mega projects services.

We are proud have same alliances with the top ranked consultation firms in Egypt in Electromechanical, sewerage, civil, power, and architectural fields.

Currently as a group of subsidiaries in collaboration with our esteemed allies and back office technical support and consultants proud to having our official steps in Libya, UAE, Oman, Saudi Arabia, Erbil as our start up take off globally through our international Sector EGICCO.

VICE PRESIDENT MESSAGE

Our Ambition, Commitment and Integrity

Our Ambition at EGICCO & all corporate subsidiaries brought out of a solid understanding that we are open to any opportunity that would furnish a resolution to bring better life to end users no matter where no matter the challenge this understanding is firing our ambition to find a better way together.

Our commitment became beyond the ordinary understanding in business success and market competition of quality, time, price edging our commitment became clear to the clear understanding to deliver excellence as per our believe that no excellence away safety, joy, support and sharing challenges between our family members.

Our Integrity to transfer expertise, plant ownership, transfer our values, commitment, delivery of excellence, melting challenges with our ambition to make better living and to chase dreams one after another is our legacy.

Walid Saad

ALGAMMAL DIVERSITY

ALGAMMAL AND ALLIES REFERENCE LIST

Reference List

Al Gammal General Contracting & Allies - References Summary

S	Scope	Project Sector	Capacity	Volume / Size	Country	Role	Period From-To
1 Electrical Infra Structure							
1.1.	Under Ground U/G - HV & MV Turn Key Cable Networks	Electrical Infrastructure	11Kv - 66 Kv	+97.00 Km	Egypt	Subcontracting	2003 - 2008
1.2.	Under Ground U/G - HV & MV Turn Key Cable Networks	Electrical Infrastructure	11 Kv - 66 Kv	+250.00 Km	Egypt & Erbil	Main Contractor	2009 - 2023
1.3.	Civil Works Power Distribution Substation	Electrical Infrastructure	11 Kv - 220 Kv	5 Units	Egypt	Subcontracting	2016 - 2023
1.4.	Turn Key LV, MV and HV OHTL (Green Field & Rehabilitation)	Electrical Infrastructure	11 Kv - 66 Kv	+250.00 Km	Egypt	Main Contractor	2019 - 2023
2 Infra Structure Sewerage Network Pipelines							
2.1.	Turn Key Sewerage & Potable Water Network Pipelines PVC, UPVC and HDPE.	Water & Sewerage Pipelines Infrastructure	250 Mm - 750 Mm	+60.00 Km	Egypt	Subcontracting	2003 - 2008
2.2.	Under Ground U/G - HV & MV Turn Key Cable Networks	Water & Sewerage Pipelines Infrastructure	250 Mm - 1200 Mm	+320.00 Km	Egypt & Erbil	Main Contractor	2009 - 2023
3 Water Treatment Plants WTP & Pump Stations							
3.1.	Civil Works For Water Treatment Plants	Sewerage Infrastructure	12000M3/Day - 24000M3/Day	WTP - 2.00 Unit PS - 1 Units	Egypt	Subcontracting	2003 - 2008
3.2.	Turn Key Works For Water Treatment Plants Civil & Electromechanical	Sewerage Infrastructure	15000M3/Day - 42000M3/Day	WTP - 7.00 Unit PS - 10 Units	Egypt	Main Contractor	2009 - 2023
4 Oil & Gas - Maintenance of Pipelines and Well Heads							
4.1.	Maintenance of Well Heads	Oil	NA	42.00 Unit	Egypt	Site Service Specialist Provider	2016 - 2023
4.2.	Maintenance, Calibration, Testing & Commissioning of Pipelines, (HDPE, Carbon Steel and Valves.	Sewerage Infrastructure - Civil & Electromechanical	NA	+1211.00 Km	Egypt	Site Service Specialist Provider	2016 - 2023
5 Solar Energy							
5.1.	Supply & Install Solar System for Operating Water Wells & Irrigation Networks	Renewable Energy	13 MW	NA	Egypt	Main Contractor	2016 - 2023
5.2.	Solar System Top Roof in Industrial Zones	Renewable Energy	14 MW	NA	Egypt	Main Contractor	2016 - 2023

Reference List

5.3.	Supply & Install Solar System for Operating Houses Top Roof & Farms	Renewable Energy	9.5 MW	NA	Egypt	Main Contractor	2016 - 2023
5.4.	Supply & Install Solar System for Solar Farms off & on Grid	Renewable Energy	22 MW	NA	Egypt	Main Contractor	2016 - 2023
6 General Contracting Residential & Industrial							
6.1.	Concrete & Finishing Works for Residential Buildings & Compounds	Residential	9 Projects	+ 8420 Unit	Egypt	Subcontractor	2003 - 2023
6.2.	Industrial Turn Key Civil, Steel E/M and Testing & Commissioning	Industrial	3 Project	NA	Egypt	Major Contractor	2018 - 2023
6.3.	Rehabilitation and Expansion Turn Key Civil, Steel E/M and Testing & Commissioning	Industrial	3 Project	NA	Egypt	Major Contractor	2018 - 2023
7 Horizontal Directional Drilling HDD							
7.1.	Horizontal Directional Drilling - HDD	HDD	250 Mm - 1200 Mm	+ 220 Project	Egypt, Erbil and Libya	Major Contractor	2011 - 2023
8 Roads							
8.1.	Supply and Install Multi layers of Bae, Subbase and finishing Asphalt Road Surfaces.	Roads	Diferent Width and Layers Thickness	+ 43 Project	Egypt	Subcontractor	2016 - 2018
8.2.	Supply and Install Multi layers of Bae, Subbase and finishing Asphalt Road Surfaces.	Roads	Diferent Width and Layers Thickness	+ 12 Project	Egypt	Major Contractor	2019 - 2023
9 Stream Lining & Agriculture Irrigation Network							
9.1.	Turn Key Stream Excavation, Preparation and Lining	Agriculture Infra Structure	NA	3	Egypt - Tushka	Major Contractor	2021 - 2023
9.2.	Agriculture Irrigation Network Pipeline HDPE	Agriculture Infra Structure	16 Mm - 110 Mm	12	Egypt - Tushka	Major Contractor	2021 - 2023
9.3.	Main Pipe Line 1200 Mm HDPE	Agriculture Infra Structure	1200 Mm	2	Egypt - Tushka	Major Contractor	2021 - 2023
10 HDPE Fire Fighting, Water and Sewerage Pipeleine Network Pipeline							
10.1.	Turn Kety Supply & Delivery of Fire Fighting HDPE Network	Infra Structure Pipelines	16 Mm - 200 Mm	1	Egypt New Capital	Major Contractor JV	2021 - 2023
10.2.	Turn Key Supply & Delivery of Sewerage HDPE / UPVC Network	Infra Structure Pipelines	350 Mm - 750 Mm	1	Egypt New Capital	Major Contractor JV	2021 - 2023
10.3.	Turn Key Supply & Delivery of Water HDPE Network	Infra Structure Pipelines	250 Mm - 400 Mm	4	Egypt New Capital	Major Contractor JV	2021 - 2023
